Same here. Extending the meeting on the 7th is the only thing that works on my end.

Those three days are brutal for me. The only time that works for me is extending the existing LAAC meeting on 5/7 so its from 9-12 instead of 10-12.

Hi Emilio and Cristina,

Looking to block time and survey the LAAC for a step-back that we walked about doing post-BD5 primary, but before CCSA's conference. That leaves either Wednesday, March 6; Thursday, March 7; or Friday; March 8. Are there 3-hour blocks on those days that work for both of you? If there are 2-3 blocks that work for both of you, I'll push those out to the rest of the council in a Doodle survey to see where we can get the greatest attendance.

Thanks,

Jason J. Rudolph
